Cooking

The Legacy Continues...

Every kitchen has a story to tell, so does Double Horse having delivered good food for 60 years.

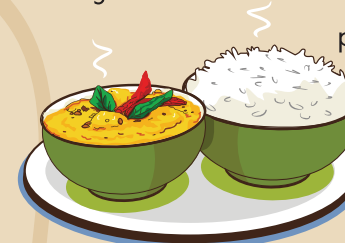

Double Horse is an undisputed pioneer in food innovation with more than 170 food products that makes cooking a delightful experience and

food a delectable treat to the taste buds.

Double Horse has the envious distinction of being the first brand to introduce stone less, sortex rice and the first company in Kerala to win ISO 9001:2000 quality certification for rice milling.

Double Horse has set several benchmarks in the food processing industry. The same zest has driven Double Horse to launch an array of food products suitable to the needs of current generation. From rice to rice powders, spices & condiments,

pickles, ready to cook, ready to eat and health products. Double Horse is present in variety of food offerings.

Thanks to its unswerving commitment to quality. Having set its vision to be the leading food processor which remains true to its core values, the brand strives seamlessly in serving the good food for all.
